ST. MARK'S SCHOOL OF TEXAS

10600 PRESTON ROAD

DALLAS 30, TEXAS

CHRISTOPHER BERRISFORD  
HEADMASTER

To the Class of 1964:

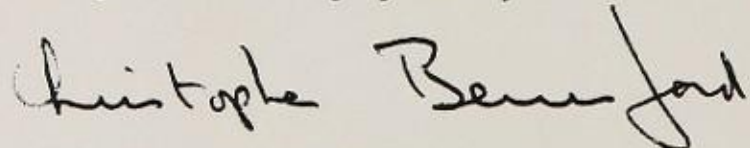

Enshrined in these pages are the visible signs of your senior year in high school. For you, it will be a pictorial record to prompt the memory and rekindle the emotions. In years to come you will be reminded of friendships and great good humor, of a football game hard-fought, or a teacher, much admired, or an activity to which you devoted your best endeavor.

I hope, however, that your memories will carry you beyond the recollection of an incident, or an individual, and that they will renew the sense of unity and enthusiasm which characterize all your doings. You have not let hard work dull your sense of humor; disappointments have not curbed your enthusiasm.

From my new position at St. Mark's, I can see the school in the years ahead developing in many and various ways, but I hope that never in the years to come shall we lose your good humored enthusiasm and your dedication to excellence. Whatever you may have gained from St. Mark's, count these among the highest values.

Our warmest wishes for every success in the next stage of your life go with you.

Very sincerely yours,

A handwritten signature in cursive script that reads "Christopher Berrisford". The signature is written in dark ink and is positioned above the printed name.

Christopher Berrisford

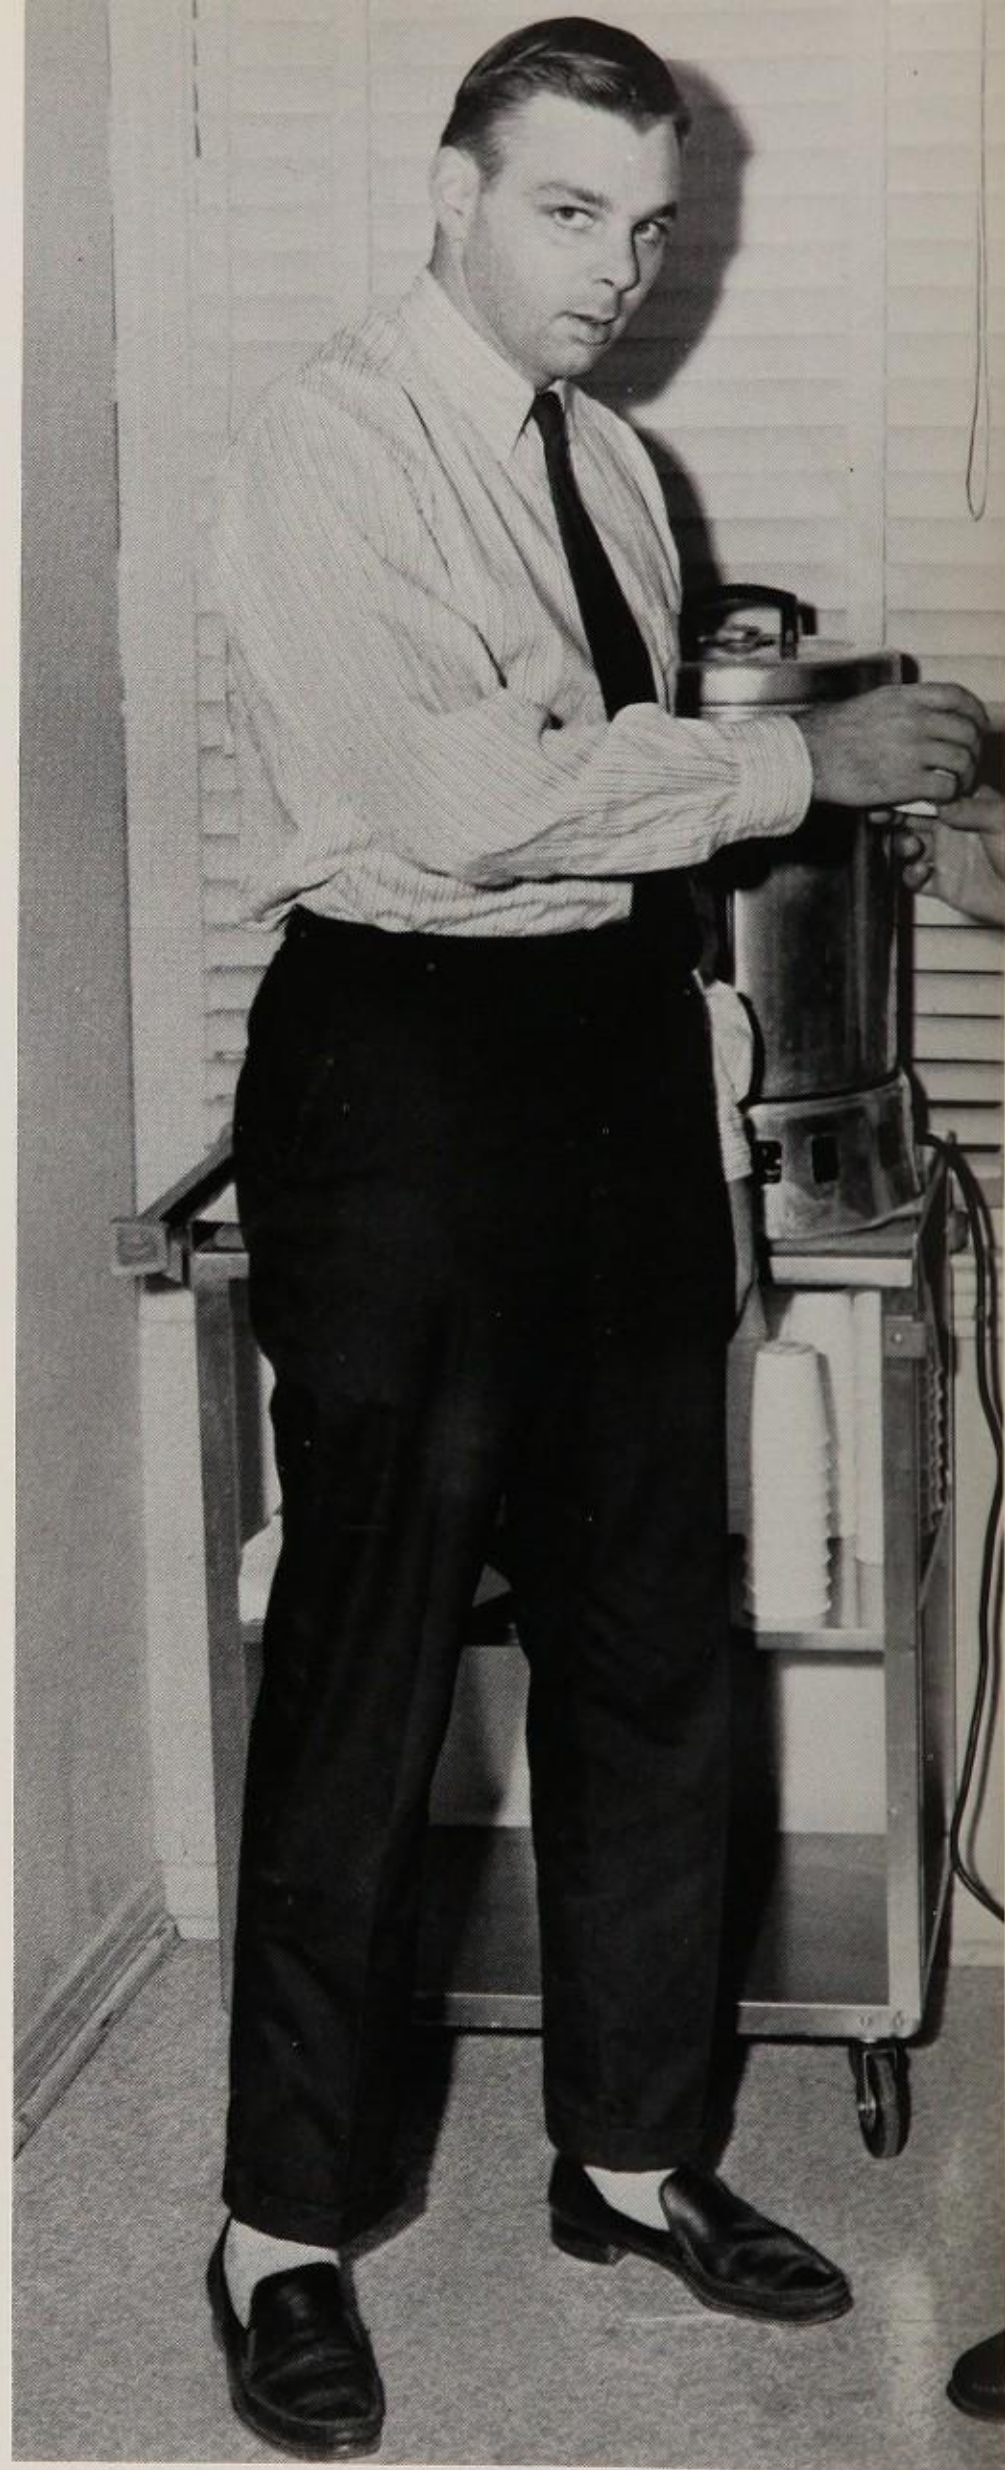

In thirteen years at St. Mark's, he has been teacher, coach, and Head of the Middle School. For his patience, good humor, devotion to the school, and sincere interest in every student, we, the Class of 1964, dedicate this yearbook to

**Francis B. Marburger**

# Underclassmen

# Junior Class

KEVIN KAYWOOD, President; ROBERT HEYER, Secretary-Treasurer; MR. BROWN, Class Advisor; PAUL MUNVES, Vice-President.

The Class of '65, as in previous years, has excelled in all phases of school life. This year's Juniors have been instrumental in the success of St. Mark's athletics. They helped form the backbone of this year's championship football team and have helped lead the basketball team to a victorious season.

Not only have the Juniors been outstanding in athletics, but they have also been significant contributors to the success of the Drama Club, *ReMarker*, *Marque*, and the Band.

The imagination and individualism of the class were shown again this year by its successful class dance, which was centered around the theme of the motion picture "Cleopatra" and was considered by many to be one of the most outstanding dances in St. Mark's history.

All this, however, is not the true mark of a superb class. It is academic achievement that makes a great class. In accordance with their performance in the past, the Juniors consistently placed nearly thirty per cent of the class on the "first" and "second" honor rolls.

Next year it is expected that the Class of '65 will fulfill its promise as one of the best classes ever to graduate from St. Mark's.

# Sophomore Class

FRANK WIEDEMANN, Vice-President; HARLAN COHEN, President; DAWSON NESBITT, Secretary-Treasurer; MR. MITCHELL, Class Advisor.

Last year, St. Mark's saw a glimpse of what was to come from the Class of '66; this school year has brought full recognition to the Sophomores.

Academically, this class had almost thirty per cent of its members on honor rolls. In sports, the "B" football team had a good 4-4 season; the "B" basketball team had an outstanding 14-6 record, and the soccer team had a fine season. The Sophomores had starters on the varsity football, basketball, swimming, golf, and track teams, and contributed members to all teams.

In extra-curricular activities, the Class of '66 contributed greatly to the Re-Marker, Marque, Debate Club, Drama Club, Glee Club, and Band. They enthusiastically backed the football team with a cannon and even supported an orphan in France. The Sophomore Dance was one of the most outstanding of the year.

The Sophomores have already proven that they have spark and initiative, and they certainly will be heard from in the future.

# Freshman Class

TOM LANDRY, President; BILL KOHLER, Secretary-Treasurer; STEVE WOLFRAM, Vice-President; Mr. HOFFMAN, Class Advisor.

This year, as in the past, the Class of '67 has displayed initiative and school spirit.

The Frosh played active parts in the Band and Drama Club, held positions on both honor rolls, and contributed regularly to the "ReMarker."

Athletically, the Freshmen were very successful. The football team had an excellent season, and the basketball team's 13-0 season had the finest record in the history of the school. The Frosh also held positions on the varsity golf, basketball, and swimming teams. The tennis team was composed entirely of Freshmen and attained a high state ranking.

On Freshman Day, the class excelled. The Day began with a fine drill complete with smoke bombs and a bicycle parade. At the football game, the evening of November first, the Freshmen staged a tremendous half-time show, including fireworks, flares, the release of 1000 helium-filled balloons, and a contest featuring as the prize, the "Bunny of the Year." After the game, a mixer, organized by the Frosh, proved to be a fitting climax to Freshman Day.

As members of the Upper School for the first time, the Class of '67 has proved itself ready and willing to accept the responsibilities of underclassmen at St. Mark's.

"Is this served by Lawler's?"

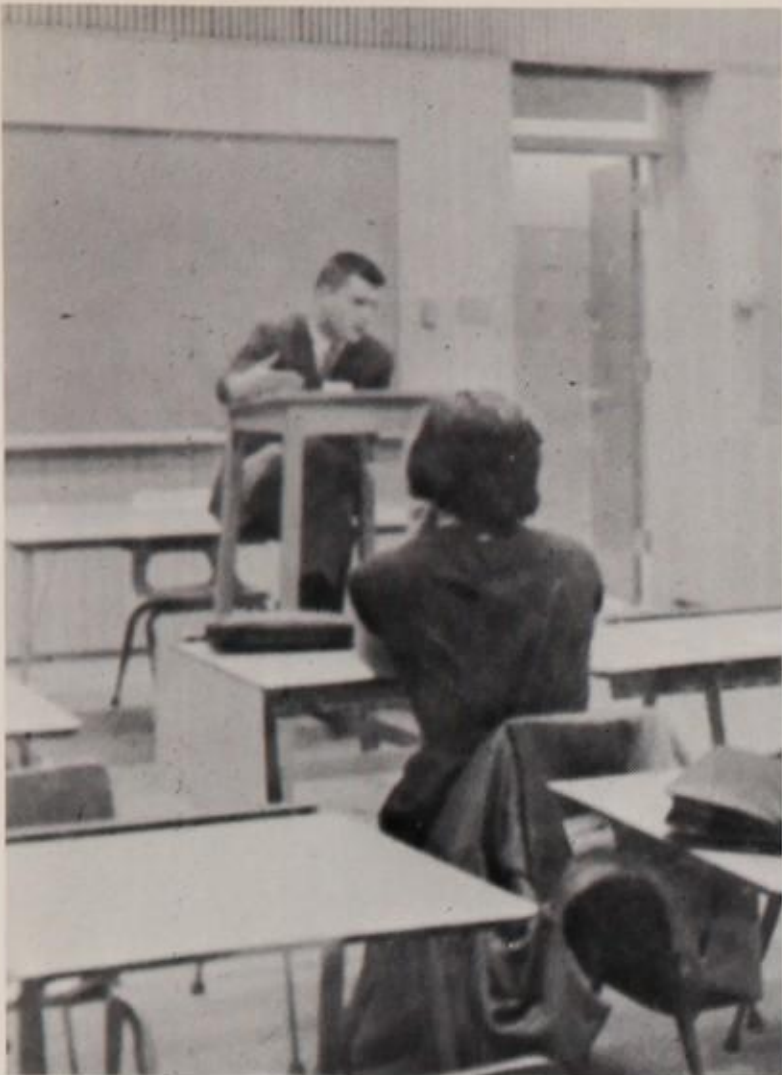

"For \$1,500 a year he'd better be brilliant."

"And how long do you think you'll last?"

"Yes, these large classes are quite a strain."

"As I tell my students, don't knock it if you can't make it."

## Miniature Schools

"Now look, if you have six moles of OH ions . . ."

"Yes, I have noticed the high rate of absenteeism in our Spanish classes."

"Well, it has become our policy not to discuss General Walker in history classes."

Executive members discuss the fund drive

## **Dad's Club**

MR. DREYFUS, president

The Dad's Club sponsors two major projects each year—the fund drive and the Field Day ticket raffle. The purpose of the fund drive is to make up the deficit in school budget for the coming year. This year's drive was a tremendous success, meeting its quota of \$70,000 very early in the year.

The Field Day raffle, a student-Dads' Club project, supplies money for various special projects such as the purchase of new athletic equipment. This year's raffle will pay for individual athletic trophies, new football uniforms, and possibly other equipment.

## Mothers' Club

The Mothers' Club sponsors several service organizations and aids in many student projects. The Library Committee, in its "Give a book on your birthday" and through the yearly Book Fair, adds a number of books to our library. The Altar Guild maintains the beauty of the Chapel altar. The Mothers' Club helps plan and pay for such activities as the Sophomore and Junior Dances, the Senior Ball, Homecoming, Pops Concert, and the Marksmen Dinner.

Plenty of cans and gifts . . . . .

The Can-paign, sponsored by the Seniors, was held for the second year. In the three weeks preceding the Christmas Party, a total of over four thousand can goods was collected, far surpassing last year's total. These cans, with the usual gifts from the Christmas Party, were given to missions in Dallas.

A second project planned by the Seniors, with assistance from the Audio-Visual Department, was the Benefit Hootenanny. This event attracted the best local talent in the folk music field. The Hootenanny netted approximately \$175, which was also donated to several missions.

# Student Council

From left: Dick West, Kevin Kaywood, John Muir, Steve Swift, Marvin Moore, Mr. North, Harlan Cohen, Tom Landry, Britt Kolar.

The 1963-64 Saint Marks Student Council may be considered the most active and productive in school history. With the leadership of President Britt Kolar and the advice of Mr. North, serving his first year as Dean of Students, the council was an influential force in all phases of school life.

The Saint Mark's student bookstore made remarkable gains during the school year. The Student Council store efficiently assumed control over the ordering and distribution of all supplementary texts, summer reading books and many of the text books while also serving as a retail exchange.

The council voted to appropriate the funds to secure an exchange student at Saint Mark's under the American Field Service. Since Student Council revenue comes from a number of sources to which the students contribute, mainly the bookstore, the student lounge machines and athletic concessions the council felt justified in supplying the money, rather than take a general collection as was done in previous years.

The Student Council served in an administrative vein in supervising study halls throughout the year. It was felt that the student supervisors would give more time to teachers for personal instruction. Along the same lines, in the spring of 1964, the council inaugurated a plan to assist the librarians in securing more new books in the library.

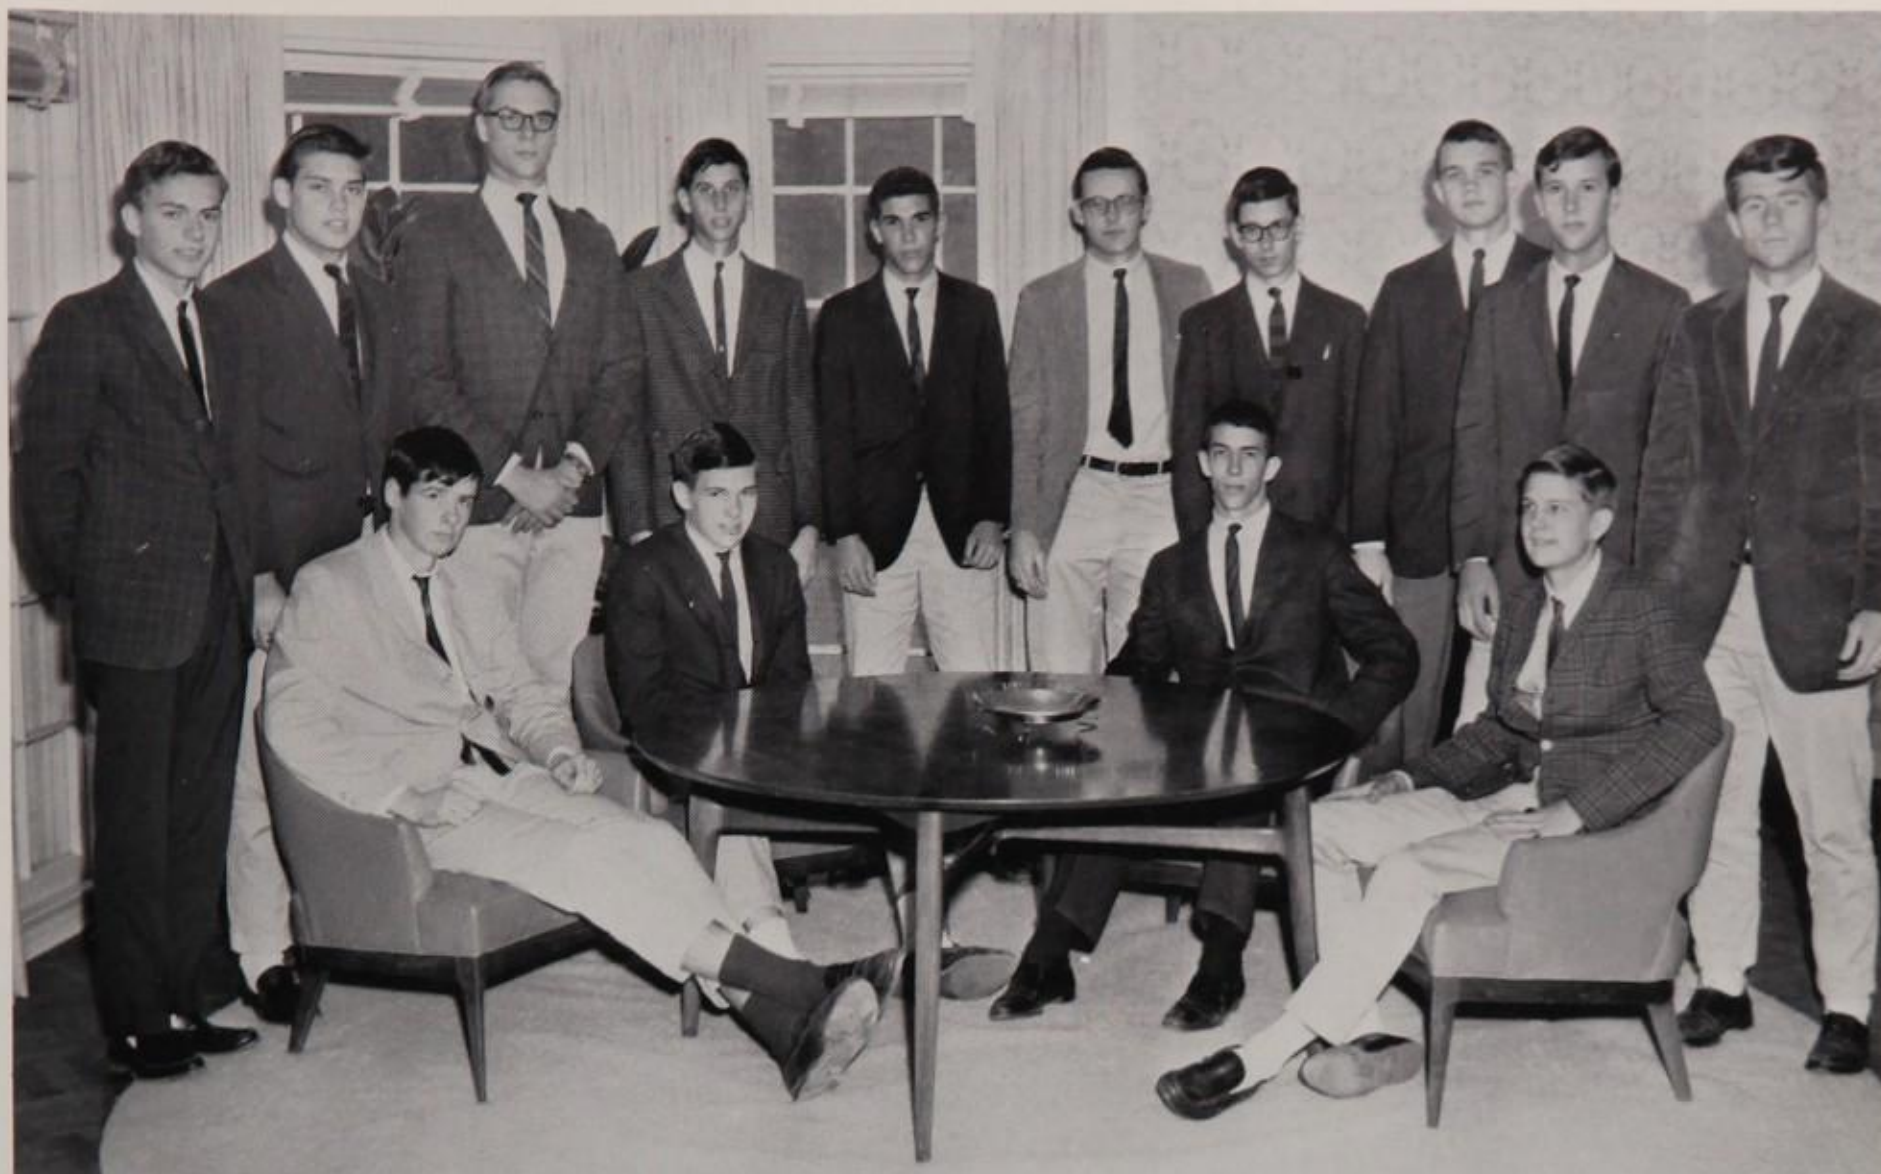

Working in conjunction with the Lettermen's Club, the council helped to sponsor athletic spectator trips, making the away games an all school effort. During the football season, the homecoming dance and victory parties were organized by the council and the Mother's Club.

TOM AMIS and MARVIN MOORE, Student Council treasurers

Certainly the most significant contribution of the council was in a representative capacity. Complaints and questions raised through the Student Council were carefully considered by the aims and practices committee and progress was made in regard to the academic work load and administration-faculty-student relationships in general.

# St. Mark's Band

## BAND

This year the St. Mark's Band, numbering thirty-six members, was pleased to welcome Mr. Mario Foster as director. Elected officers were Gary Marcus, Kent Middleton, and Henry Gottlich.

During the fall the band attended all home football games and made two trips to Houston for games played there. Such popular numbers as "Bill Bailey," "Blame It on the Bossa Nova," "Everything's Coming Up Roses," "I Got Rhythm," "Peter Gunn," and "Sweet Georgia Brown" were received with enthusiasm.

As usual, the gym was filled for both of the two annual concerts. Prominent on the Christmas Concert were "Sleigh Ride" and "The Blue and the Gray." The Pops Concert, held in April, was the best concert given in recent years. Included on the program were selections from *Bye Bye Birdie* and "Parade of the Charioteers" from *Ben Hur*. Seniors Phil Adams, Ben Breard, Tom Lichten, and Kent Middleton were featured in a special jazz arrangement worked out by Mr. Foster.

The members of the band had a lot of fun during the year. They hope that the enjoyment they had playing was shared by those in the audience.

## Club de Español

Debajo de la dirección del señor Hidalgo y el señor Brown El Club de Español ha tenido un año muy próspero. El Club eligió a los graduandos Willy Wilson y Britt Kolar presidente y vice-presidente respectivamente, con Tom Kohler secretario y el fresco Stanley Pasarel de Puerto Rico como tesorero. Durante las navidades El Club repartió comida, ropa, regalos y árboles de navidad a tres familias en West Dallas. Durante el transcurso del año el Club tenía el placer de escuchar conferencias, ver películas sobre España y Mexico, y observar algunas culturas españolas en "Little Mexico."

## Lettermen's Club

This year the Lettermen's Club has strived to play a greater part in school life. More buses were chartered to away athletic contests and thus more money was raised to add to the club treasury. The club pays for the team pictures hung in the foyer of the gym and this year arranged to bring the team captain plaques and the track record board up to date.

## Audio-Visual Dept.

During the second quarter, the Audio-Visual Department initiated a new program to introduce its members to radio and television script writing and producing. The fifteen members of the Department are divided into two groups. Each week these groups compete in writing and producing shows and commercials. The shows are judged by the A-V Center Director, Mr. McVey, in the Seminar Room, and points are given both for production and writing skill.

# MARQUE

The *Marque*, the St. Mark's Literary magazine, has continued the program of expansion set by last year's staff. Now in the third year of continuous publication, the *Marque* contains poetry, short stories, essays, and writing in French and Spanish by students of all grades. The purpose of the magazine is to encourage and provide an outlet for creative talent, and to give students an opportunity to read the writing of their contemporaries. Although created by the Class of '64, the *Marque* has remained primarily a Junior Class enterprise, with Editor Jonathan Starr; Associate Editors, Paul Munves and Tom Jones, and Business Manager, Robert Hoffman, all being members of the Class of '65. The Faculty Sponsors and Advisors are Mssrs. Birdseye and MacKenzie, of the English and Foreign Language Departments, respectively. The *Marque* is published each year in May.

Editor JONATHAN STARR with MR. MacKENZIE, Advisor, and TOM JONES

## ***Junior Rotarians***

A guest speaker at a typical Rotarian Meeting

Due to the generosity of the Park Cities Rotary Club, two seniors each week are able to attend Rotary meetings. A senior is a guest at one of the clubs for a period of six weeks in which he is given lunch at the meeting and is allowed an opportunity to talk to the business leaders of the city. These meetings are quite beneficial to a student's education and have the added benefit of one decent lunch per week.

Ron Webb meets Mayor Jonsson.

## American Field Service

The American Field Service makes it possible for high school students to live abroad for three, six, or twelve months. Through this international student exchange program, St. Mark's sends a member of its junior class abroad and receives a foreign student into its senior class.

"Foot? What foot?"

"Get married? Why?"

"How do you work this thing?"

"Hello? Frenchy?"

# Athletics

# Athletics at St. Mark's

The Department of Athletics at St. Mark's is dedicated to continuing the excellence of the program that has been demonstrated in years past. We intend to have each boy develop himself to the fullest, physically, so that he may achieve his moral, intellectual and social aspirations with courage and a sense of purpose.

The excellence of good physical fitness is singly our most important goal. That is, we hope that all students will develop a habit of good health practices and realize the effectiveness of some form of daily exercise in their lives as a whole. Our society has presented us with a great deal of labor-saving devices that are blessings to our rapid pace of life. These same devices are close to eliminating the physical exertion of our daily existence. So, in order to maintain and produce students with strength of the intellectual, social and moral qualities, we must also require that they have strength of the vital organs of the body. With the achievement of these goals, St. Mark's students and graduates will attack their daily existence without fear, with less illness and body pain, and with the vitality that will allow them to fulfill their desires to the fullest.

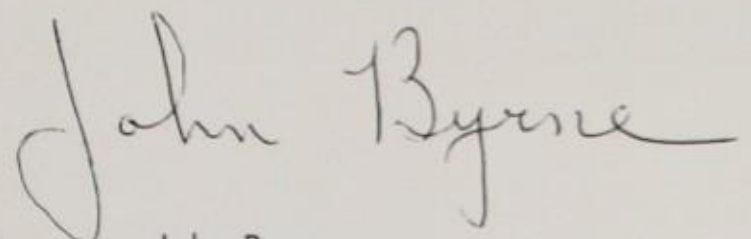

Skill development is the second goal in our program. Each boy must realize a sense of achievement in the fundamentals of body movement that will carry him confidently and safely through life. In addition, we are offering the opportunity for skill achievement in a variety of sports so that, if he wishes, he may become accomplished in several team and individual activities. With this foundation and appreciation, he can take part in school or outside-of-school sports on an advanced social or recreational basis with a feeling of adequacy.

Third, this department must offer the opportunity to develop fundamental skills for recreational purposes or for use in interscholastic competition. For boys who do not desire or possibly do not have the ability to compete on a varsity team, we offer class competition in a variety of sports. This competition, we feel, will let them fulfill their desire to compete as well as give them a chance to better themselves in a particular sport, giving them the possibility of varsity status in the future.

VARSITY COMPETITION: Some boys have the desire to be "first chair" with their instruments in the band; others want to be the best in mathematics or to present the best science project—it is also reasonable to understand the desires of a boy who wants to become a top athlete in a sport of his choice.

The Athletics at St. Mark's has improved greatly over the past several years, and we intend a continuance of effectiveness in the future. The coaches have committed themselves to excellence in their particular sports and have proven their effectiveness this year. The future holds more detailed teaching of fundamentals in the Lower and Middle Schools as well as the Upper School Athletics. We feel that this approach will produce a more skilled individual and result in teams commanding a good deal of respect by their opponents. St. Mark's boys performing effectively in this program will certainly be equipped to make a great impact as they take their places as individuals in our rapidly moving society.

The Athletic Department of St. Mark's is committed to proper physical development of each boy, to skilled teaching, to the opportunity to develop skill and to the program for highly skilled to take part in Varsity competition. Excellence is our goal, and excellence we intend to produce.

John Byrne  
Athletic Director

# Lions Win Second S.P.C. Championship

The 1963 St. Mark's Lions started down the long road to their second consecutive Southwest Preparatory Conference Championship last spring. Britt Kolar and Steve Swift were elected captains, and under the leadership of Head Coach Roger West a summer body building and conditioning program was established. With Irby Rozelle and Steve Swift leading the team, during the absence of Kolar and Coach West, the program proceeded with remarkable results. A strengthened squad began summer drills after the first week in August. Supplementing the coaching staff were Bill Rippetoe and newcomers, Brad Urquhart and Jim Bachelor. These additions helped perfect both individual and group skills.

The Lions "kicked off" their regular season against their traditional rivals, the Jesuit Rangers. Playing in the most adverse conditions (95°, 90% humidity), which sent two Lions to the hospital, the Lions succumbed to the Ranger air attack. The Lions, sparked by Tom Kohler, managed two third period scores on rushes by Steve Swift and Ben Ferguson. But this was not enough as Jesuit won 22 to 14.

St. Mark's rebounded the next week to put down a scrappy Bishop Dunne squad. The game, a frustrating one for the Lions, found Swift scoring on runs of 60, 55, and 3 yards. St. Mark's managed a 20 to 6 win over the Falcons.

The Lions pulled out all stops to crush the Lutheran Pioneers. The Lions' rushing attack accounted for more than 500 yards and scored 44 points.

A journey to Houston to battle Kinkaid was the next task. In a bruising defensive battle, the Lions' faltering offense finally scored in the last two minutes on a pass play from Tom Kohler to Barney Barnett. The final score was St. Mark's 8 and Kinkaid 0.

The Lions defeated St. Stephens at Bailey Field the following week for the Lions' fourth straight victory and third conference victory. Jim Harris supplied the heroics with scoring runs of 44, 19, and 23 yards to lead the scoring in the 22 to 0 victory.

The underdog Lions ventured to Gladewater the next week. A magnificent defense time and again repulsed the Bear power machine, and a pass from Kohler to Irby Rozelle plus a conversion reception Mike MacAdams proved to be the story in the 8 to 6 victory.

On October 18, St. Mark's flew to Houston to play arch rival St. John's. The mastery of the Van Winkle pass proved sufficient to defeat the frustrated Lions 13 to 6.

St. Mark's the following week exploded for 32 points against Nolan High and found themselves dominating the contest. The "B" team saw a good deal of action during the game.

The Lions' finest effort of the year came against the undefeated Waco Cougars. The Lions dominated the contest in every department except scoring. Employing a "monster" defense the Lions slowed Waco, but the Lions themselves were unable to score enough points. Although St. Mark's was the first to score on Waco this season, the final score was Waco 7 to St. Mark's 6.

SEATED ON GROUND: Managers J. Brau and B. Cullum. FIRST ROW: J. Vrooman, S. Morris, J. Harris, R. Green, S. Swift, B. Kolar, I. Rozelle, B. Barnett, W. Wilson, S. Barrett. SECOND ROW: T. Kohler, R. Thomas, P. Harris, B. Perkins, J. Winer, R. Heyer, P. Munves, J. Frank, J. Hever. THIRD ROW: T. Jones, B. Ferguson, S. Smart, H. Bass, B. Rozelle, G. Nobles, N. Ryan, H. Jury, D. Morris. FOURTH ROW: Coach Urquhart, B. Bookatz, M. Shay, T. Howard, P. Kemp, B. Green, R. Trenary, J. Threadgill, M. MacAdams. FIFTH ROW: Coach Batchelor, L. Blumberg, R. Baldwin, T. Cronin, B. Anderson, J. Logan, R. Mathes, Coach Rippetoe, Coach West.

The St. Mark's team brought the season to a close with a 26 to 14 win over Casady. Swift, MacAdams, Ferguson and Harris scored to crown St. Mark's Co-Champs. All members of the squad played in the final game of the season.

The St. Mark Lions placed three boys on the Southwest Preparatory All-Conference First Team. Britt Kolar made guard for the second straight year with John Vrooman, back, and Irby Rozelle, end. Steve Barrett and Bob Mathes made the Second Team as tackles. Tom Jones, center, Paul Munves, guard, and Steve Swift received Honorable Mention awards.

The Lions closed their season with a 7-3 record and a 4-1 conference record to tie St. John's of Houston for the championship.

COACHES FROM LEFT: BRAD URQUHART, ROGER WEST, BILL RIPPETOE, JIM BATCHELOR. CAPTAINS: STEVE SWIFT AND BRITT KOLAR.

## B Team

The St. Mark's "B" team, comprised of mostly sophomores and a few juniors, experienced a rather successful season, winning 4 and losing 4.

Working out with the Varsity and seldom getting a chance to work as a unit, the "B" teamers suffered three early season defeats: the Lions dropped a 12-6 heartbreaker to Seagoville before losing to Waxahachie 36-12 and Bishop Dunne 12-6. But the "B" teamers found themselves at last and defeated Duncanville 14-6 at Bailey Field. The Lion backfield of Rozelle, Trenary, Nobles, and Green supplied the key punch in that victory.

The Lions were determined to add more victories to this lone victory, and they did so by trouncing Bishop Lynch 34-0. The "B" team defense, led by Tom Howard, Paul Harris, and Rob Heyer played outstanding ball. Bill Perkins then led the Lions to a 22-13 victory over Dallas Christian, and Harvey Jury followed suit by spearheading the 22-14 Lion victory over the Forney Jack-rabbits.

But the big game of the year, against Jesuit, was a great disappointment to the "B" teamers. The Lions couldn't move the ball or hold the Jesuit offense. The Rangers won the 31-8 tilt.

Much credit should be given to Messrs. Batchelor and Urquhart, the "B" team coaches. They kept the spirit up during the early stages of the season and provided excellent leadership for the team throughout the season.

SM	6	Seagoville	12	SM	34	Bishop Lynch	13

## Varsity Compiles

THE 1964 ST. MARK'S BASKETBALL TEAM FACED probably one of the toughest schedules in the school's history. In spite of the difficult schedule, the Lions managed to compile a fair 23-11 record with losses for the team of less than ten points to such area powers as Thomas Jefferson, Garland, Hillcrest, and Lancaster. Throughout the season, the Lions seemed to play their best against the stronger teams.

The season opened at the St. Mark's Gym with the Lions defeating Richardson, 36-32. A month later, in the Richardson Tournament, the Lions came back from two mediocre performances, against Mesquite and Lake Highlands, to lead Hillcrest throughout the game only to lose 60-58 in the final minute. However, their effort was good enough to give them third place in the tournament, and add another trophy to the trophy case.

The Thomas Jefferson game proved to be the high point of the season, as the Lions led the city Runner-ups throughout most of the fourth quarter only to lose by four points, 58-54.

Over the Christmas holidays, St. Mark's was invited to compete in the Dr. Pepper Invitational Tournament. After losing their first game to Garland, 48-47, the Lions beat Lake Highlands and Texarkana; but they were beaten by Greenville, 48-35 in the consolation semi-finals.

In conference play, the Lions did not fare as well as they had hoped they would. They lost two important games—to Casady, in overtime, 58-52,

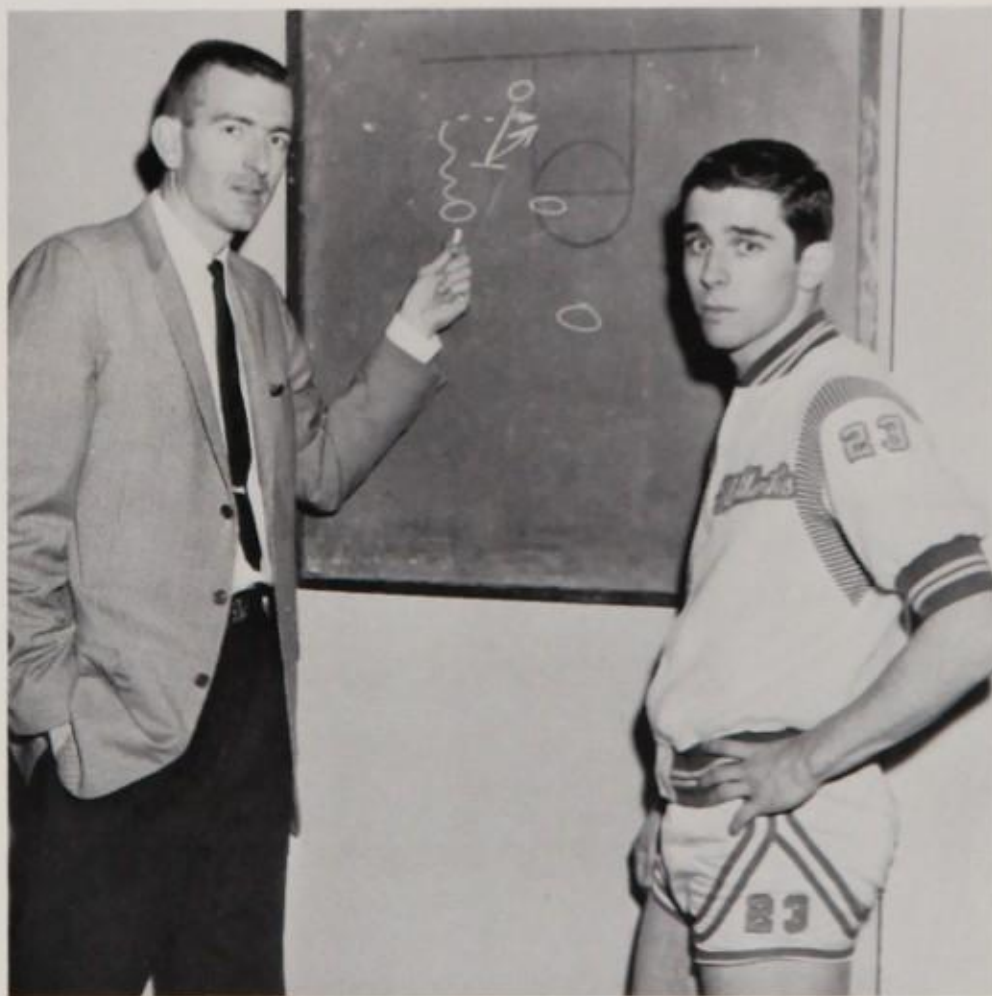

D. MORRIS, G. BEDELL, J. KLINE, T. KOHLER, J. MUIR, T. WRIGHT, A. HIRSH.

## 23-11 Record

and to St. John's, 55-47. But, with victories over St. Stephen's, 85-57, Kinkaid, 56-49, and Lutheran, 70-58, the Lions compiled a 3-2 conference record and finished third.

The Lions' offense was led throughout the season by Senior George Bedell, who averaged 20.1 points per game and earned unanimous All-conference recognition, and junior Don Kleinschmidt, who also earned All-conference honors. Among the other outstanding players on the team were John Muir, Steve Swift, Jimmy Harris, who are all Seniors, and Junior Tommy Kohler, and Sophomore Albert Hirsch. Excellent play by Ted Wright George Olson, and Dave Morris in the Conference games lends high hopes for the future.

## S.P.C. Conference

The 1963-64 St. Mark's Soccer team began pre-season training early in October, and, under the supervision of Coaches Lud North and John Hoffman, it rapidly developed into one of the best teams in the school's history.

The Lions, led by Co-captains Dick West and Ley Waggoner, compiled a 4-4-1 record in the Dallas Soccer Association and a 3-1 record in the S.P.C. Conference. St. Mark's tied for the S.P.C. championship with Kinkaid, and improved ball control enabled the Lions to capture third place in the highly competitive Association league; in the past, one win in Association play was the best the team could do.

The professional league games, played every

Sunday, were only preparation for the S.P.C. Conference; the superior training also allowed St. Mark's an easy 4-1 victory over Casady which brought the North Zone Championship.

Two weeks later, in Houston, the Lions found themselves heavily favored to be conference champions for the third straight year. Forced to play three hard games within twenty-four hours, St. Mark's had to rely on accurate passing and dribbling to overcome unfavorable odds. Friday afternoon, hampered by a steady drizzle throughout the game, the Lions edged out St. John's, 2-1. Saturday morning, the Lions faced a fresh, unplayed Kinkaid team, and were narrowly beaten, 3-2. At the end of the regulation play, the score

WILKINSON. Third Row: J. VROOMAN, M. HALTOM, S. MITCHELL, P. GIFFORD, A. CULLUM, M. PHILIPS, A. WILSON. Fourth Row: T. JONES, F. WIEDEMANN, J. JACKSON, M. LEVY, L. POWELL.

## Co-Champions

was tied 2-2; but, with only two minutes remaining, Kinkaid made the deciding goal in the second sudden-death overtime to tie for the championship. That afternoon, the Lions met a weak Lutheran team and coasted to a 6-0 win. With this victory, the Lions added the finishing touches to a successful season.

This year's team, comprised mainly of Seniors, had six players named to All-conference teams. Fullback Britt Kolar, halfback Dick West and Addison Wilson, and wing Ben Giles were elected to the first team; Steve Morris, Conference high scorer, and Ken Hicks were voted honorable mention. Other outstanding players include David Wynne, Phil Jordan, Tom Jones, and Loyd Powell.

## Cross Country

The 1963-64 season marked the first year the cross-country team has had to face stiff 4AAAA competition. This year's strong St. Mark's team firmly established itself as a power in the Dallas-Ft. Worth area and continued to add to the out-

standing record of three straight years of victories in dual and triangular meets.

The Lion runners started their season Oct. 18, defeating St. John's in a unique night time cross-country race. In the following weeks, the team placed fifth in the St. Mark's Invitational and third in the University of Texas Invitational. After defeating Jesuit, the harriers took sixth in the Kimball Invitational against 4AAAA competition. The next week, the Lions defeated Jesuit and Hillcrest in a tri-meet followed by a seventh place in the Arlington Heights Invitational. On Dec. 14, at the state meet, Marvin Moore, Bob Olson, Mike Shea and Tito Howell led St. Mark's to fourth in the 3AAA division. Marvin Moore established a school two mile record of 10:28.

On Feb. 1, the Lions easily defeated Casady and looked like sure conference champions. Two weeks later, however, the team journeyed to Houston lacking one of their men and lost a close conference championship race to St. John's. Casady and Kinkaid were a distant third and fourth.

## Swimming

COACH JOHN WHATLEY and CAPTAIN GEORGE UNDERWOOD

As the swimming season opened, Coach Whatley and his Lions under the leadership of Captain George Underwood entered the S.M.U. Relays. The Lions made a fine showing, but came home without a victory.

The following week St. Mark's returned to S.M.U. to meet the S.M.U. freshmen. After leading early in the meet, the swimmers lost 57-39. Tom Hansh and David Arthur paced the inexperienced Lions.

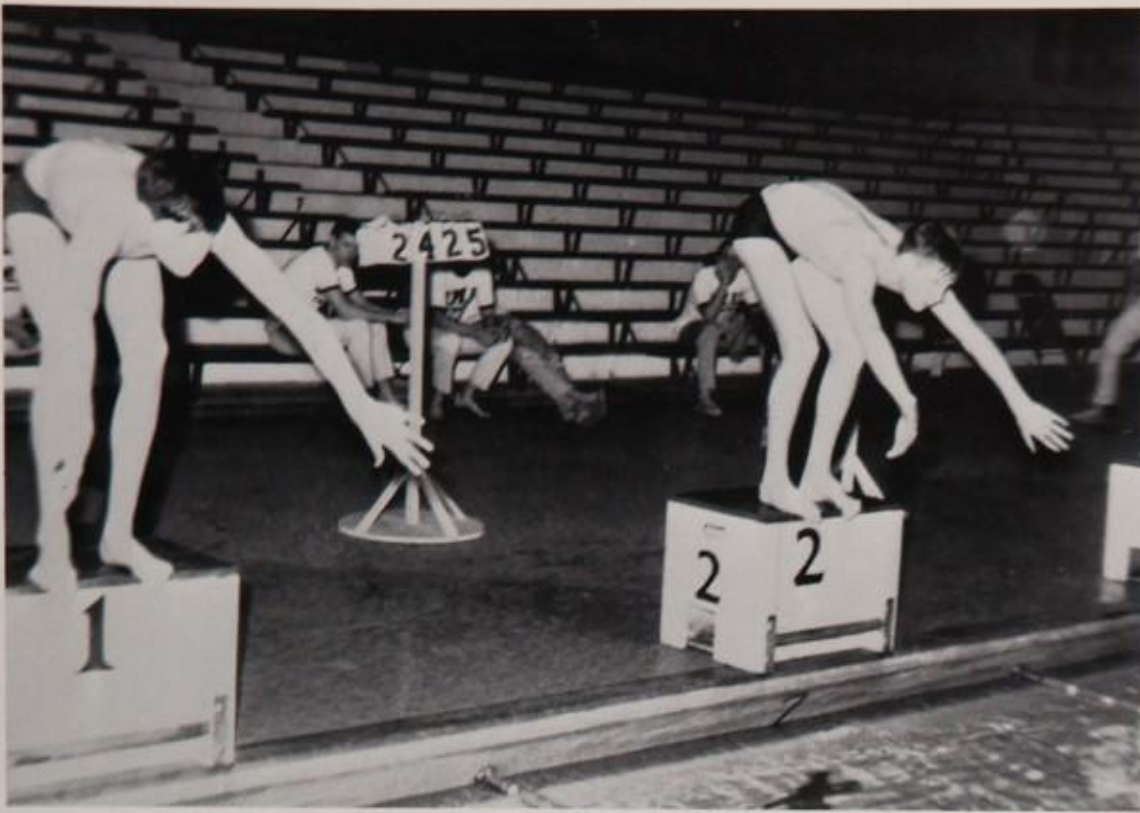

Two days later, Coach Whatley took Tom Hansh, David Arthur, Jim Helfand, and John Winer to Austin to compete in the Texas Invitational Meet. However, the tough competition stymied the Lions.

Next the Lions ventured to Ft. Worth to challenge Paschall H.S. But the swimmers seemed to have their minds on other things and dropped the meet 72-21.

Following exams St. Mark's again went to Ft. Worth to compete against Paschall and Odessa in a tri-meet. Unfortunately, both teams proved too strong for the Lions.

Although St. Mark's failed to win a meet this year, all but two boys will return next year giving St. Mark's a more experienced team.

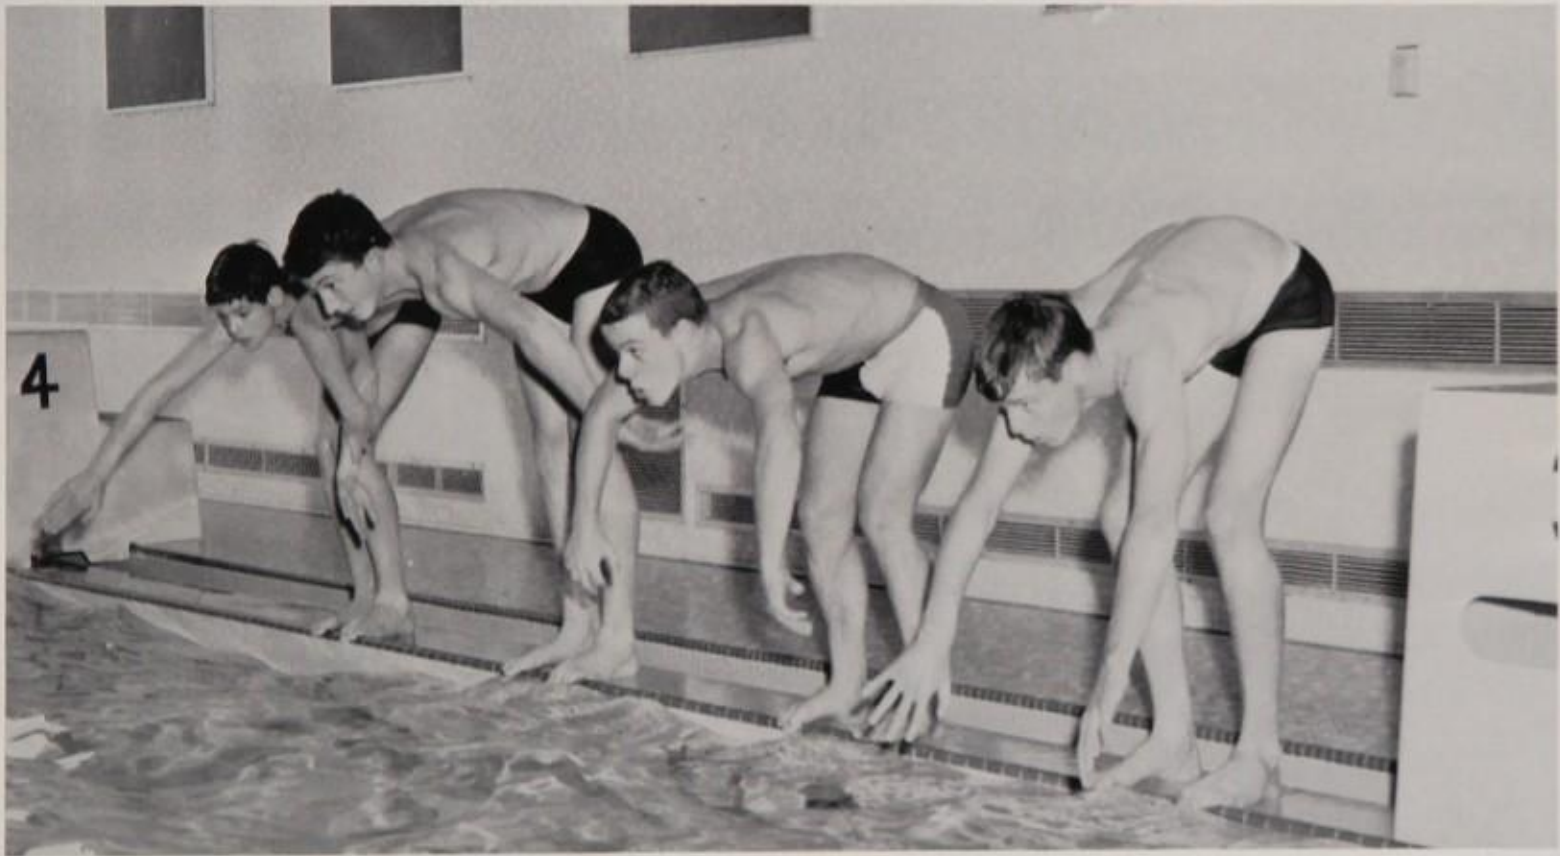

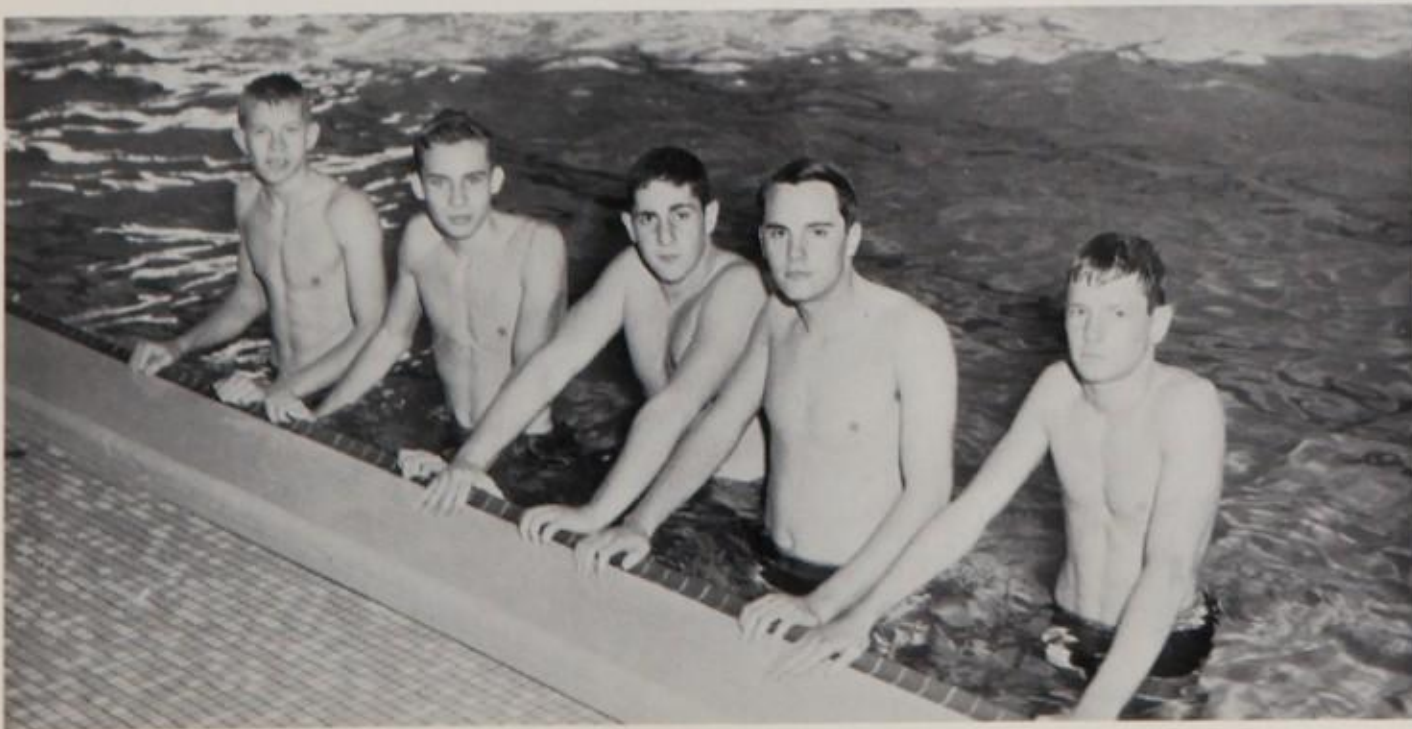

D. Arthur and T. Hansh wait for the gun against the SMU freshmen.

DAVID ARTHUR: 400 yd. freestyle, 200 yd. individual medley

200 yd. freestyle relay: D. ARTHUR, J. HELFAND, B. ROBERTS, T. HANSH

First Row: SOL MUNVES, MARK BIERNER, STEVE SCHMIDT, BOB ROBERTS, RICHARD WINCORN, KENT WESTMORELAND, DICK DANIEL.  
Second Row: BILL CLARKSON, HENRY GOTLICH, COACH BILL RIPPETOE, RICHARD HOFFMAN, FRED ROWE, ROBERT HOFFMAN, JOHN KENNEDY.

## Golf

Last year's St. Mark's golf team completed its finest season by sweeping the conference tournament in Houston. It was the first conference victory for the Lions in four years. Fred Rowe set the pace for St. Mark's with a 77 which was good enough to win the conference medalist honor.

This year Fred Rowe, Mark Bierner, Steve Schmidt, and John Kennedy, last year's first four, all returned. Steve Schmidt and Fred Rowe were elected this year's captains and Mr. Rippetoe became the new coach. Added to this strong team are senior Bob Roberts, the Washington D. C. junior golf champion, and sophomores Dickie Wincorn, the Dallas Golf Association intermediate champion, and Bill Clarkson from Corsicana.

Fred Rowe, Bob Roberts, Steve Schmidt and Dickie Wincorn, the starting four this year, were undefeated in fall competition and have high hopes of continuing along these lines. The primary factors in the success of this year's team are the presence of several outstanding players and overall power off the tee. Most people agree that this team can not miss, particularly against the other conference schools. To warm up for the conference tournament St. Mark's will play most of the high schools in the Dallas-Fort Worth area.

## Tennis

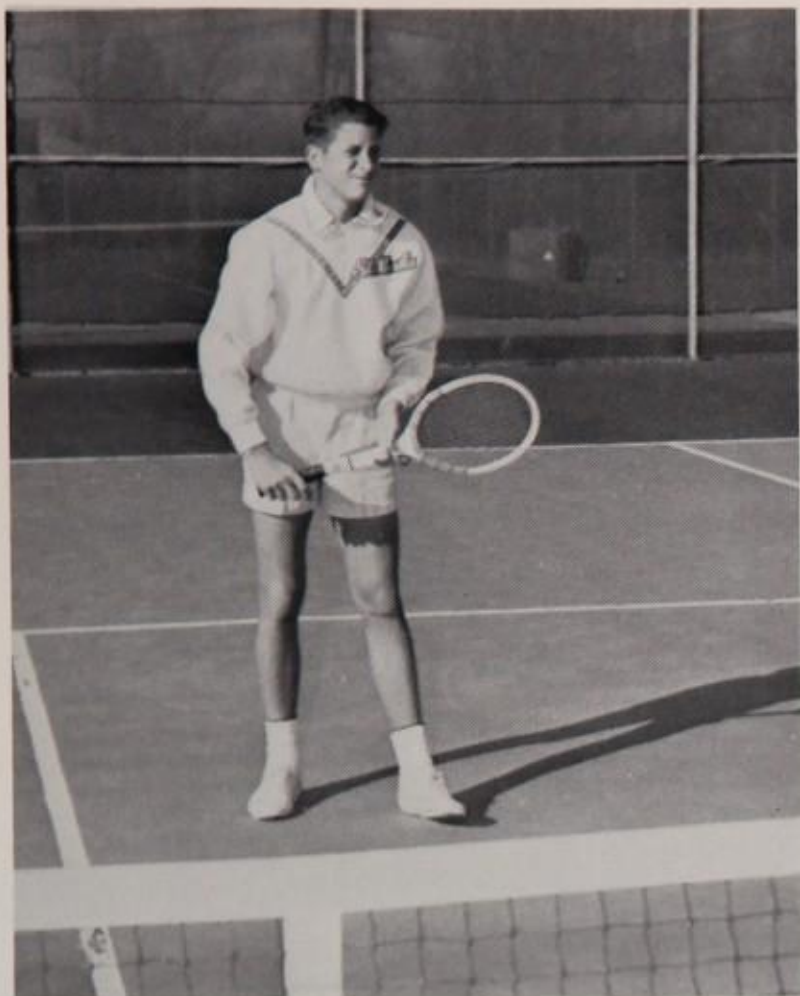

COACH BILL BLAKELEY

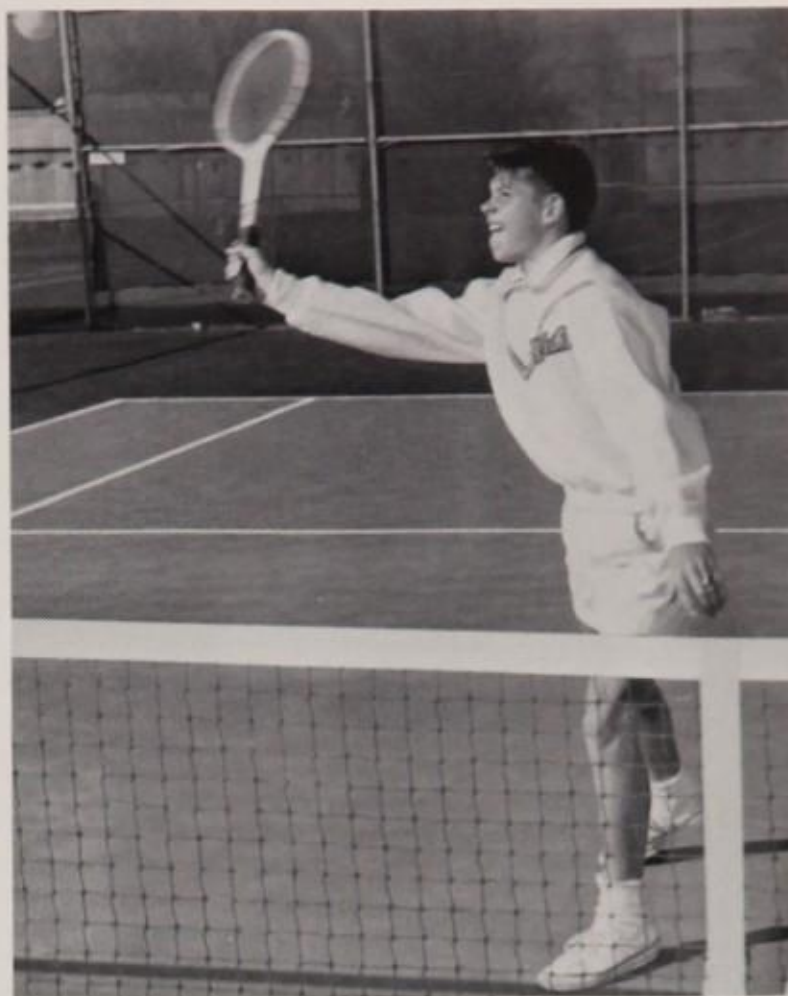

The 1963-64 St. Mark's tennis team is looking forward to another successful season under the direction of Coach Bill Blakeley. Although this year's squad consists only of Freshmen, two of them have national recognition for their summer performances. Mike Estep is rated 13th in the fourteen and under division, and Stanley Pasarell is rated 15th in the sixteen and under division. The other members of the team are Lew Grinnan and Dave Schmoeller.

The team demonstrated mastery in the Texas Schools Tennis Championship tournament at San Antonio. Stanley Pasarell made it to the Semi-finals, and Mike Estep, Lew Grinnan, and Dave Schmoeller were in the Quarter-finals. In the Spring, the team will again represent St. Mark's at other tournaments in Texas and will conclude the season with the S.P.C. Tournament held at St. John's in Houston. In the meantime, the team will compete against various local high schools.

## PEBBLE IN THE POND

A student is like a pebble in a pond — from a small center bigger and greater ringlets grow, reaching to distant shores. A graduate, like a pebble, can reach out as far as his ability and determination permits, for opportunity is always available to those seeking it hard enough.

Best wishes to the Class of 1964 and those who will follow. May your ringlets be large ones.

# REPUBLIC'S *Silver Star... Symbol of our* PHILOSOPHY OF SERVICE

"THIS BANK IS DEDICATED  
TO THE PRINCIPLE THAT NO INSTITUTION  
CAN LONG ENDURE UNLESS IT SERVES  
PATRIOTICALLY AND UNSELFISHLY ITS COUNTRY,  
ITS STATE AND ITS COMMUNITY."

This philosophy is etched in bronze at the entrance to Republic National Bank of Dallas. It is the philosophy of service which has guided Republic since its founding — a philosophy which has enabled Republic to grow into the South's billion-dollar bank. As we have grown, so have we worked untiringly to achieve ever higher standards — symbolized by the distinctive Republic Silver Star — emblem of a brand of service as unique as the banking quarters where the Silver Star appears. To you we pledge that in the future, as in the past, Republic Silver Star Service will work for you — in the highest traditions of alert, progressive, constructive banking.

## Smedley Didn't Buy The Official Class Ring.

He went bargain hunting. He thought all class rings were alike. He hadn't heard that the official class ring is official because it is made to rigid specifications for the protection of the student body. Neither, apparently, had he heard that it is made by Balfour, the most distinguished creator of fine class rings in the entire world.

A splendid fellow, Smedley. But there are reasons to suspect he is not completely in step with the times.

## *A Message From Industry*

*ENGINEERS, SCIENTISTS, MATHEMATICIANS . . .*

The titanium industry is an extremely rapidly growing and dynamic industry in a challenging technological field. Titanium is a strategic metal in the growth of our aero-space industry and is vital to the exploration of space, since only titanium offers the combination of strength, density, fatigue strength, and buckling resistance required in flight.

A career in this industry is both challenging and rewarding. However, because it is a highly technical field, it requires a great deal of learning. The titanium industry urges you to carry your education on to the college level and then examine the many exciting prospects titanium offers for your career.

## CARRIER STARTED IT ALL

More than half a century ago Dr. Willis Haviland Carrier determined the scientific principles of air conditioning and a great new industry had its inception.

The foundation of the Carrier enterprise was and is research and engineering. Work in these fields continues in the finest facilities of the industry through expenditures of many millions of dollars each year.

FREDERICK E. ROWE**

What does it mean to be an American? Upon us destiny has lavished special favors of liberty and opportunity — and it therefore has demanded of us special efforts, particularly in times such as these. It requires each one of us to be a little more decent, alert, intelligent, compassionate and resolute in our daily lives — that we exercise our civic duties, whether paying taxes or electing Presidents, with extra pride and care — that we use our freedom of choice to pursue our own destiny in a manner that advances the national destiny, in the work we produce, the subjects we study, the positions we seek, the languages we learn, the complaints we voice, the leaders we follow, the inconveniences we endure. Every American must take far more seriously than he has in the past his responsibility for achieving and maintaining a democratic society of a truly model kind, worthy to be the champion of freedom throughout the world.

John F. Kennedy — 1960
